ABOUT

I currently work at Samskar Abraham High School, Gadwal, as IIT Physics Foundation Teacher and IIT Coordinator, in an IIT/NEET programme run in partnership with Edos. My earlier instruction significantly improved students' competitive-exam performance, and I have mentored students for national-level science competitions with several accolades. I build teaching around conceptual depth and problem-solving, with continuous assessment to track progress.

PROJECTS

- **Interactive Class 10 Physics Classroom**: A free website for teaching NCERT Class 10 Physics on the classroom projector. It follows the textbook section by section (43 sections on Light, the Human Eye, Electricity and Magnetic Effects) with 22 interactive simulations, every NCERT activity, example and exercise with answers, and a pen, timer and random student picker. Planned and tested by me, built with AI assistance.
